

INFORMATION

Who are we?

ADFAS Adelaide is one of thirty eight ADFAS societies in Australia. ADFAS is a not for profit organisation run by a committee of volunteers. We aim to promote an interest in the study of decorative and fine arts by offering nine high quality monthly lectures on a wide range of subjects including social history, landscape gardening and design, architecture, textiles and music.

Who are the lecturers?

Under normal circumstances, six of the lecturers come from the United Kingdom and three from Australasia. All are specialists in their field and they provide high quality presentations. Normally each year there are also two Special Interest Half Day lectures presented by the visiting overseas lecturers.

May I bring a guest?

Guests are most welcome. Prior notice is necessary.
